## Shoreline Master Program Update

### Public Hearing

The Planning Commission is holding a public hearing on the proposed Shoreline Master Program (SMP). **The hearing will be held on October 21, 2009 at 6:00 p.m. in the Council Chambers at City Hall.** A draft of the proposal is available for review on the project website (see below). There is also a copy available for review during business hours at City Hall (6<sup>th</sup> floor). This public hearing draft incorporates changes based on comments made on the preliminary draft SMP.

### Comments

The public hearing is your chance to express support, to oppose, or to recommend changes to the proposed SMP. Verbal comments will only be accepted at the public hearing on October 21<sup>st</sup>. **Written comments must be received by 4:00 p.m. on November 5, 2009.** Written comments are accepted in standard and electronic forms, but must include your name and mailing address to become part of the official record.

### Did you know?

All the review documents are available on the project website. You can receive an email each time the shoreline page is updated by clicking on the "subscribe to page" icon located at the bottom of the main page.

### Notifications

Does it seem like this is the first time this has come to your attention? When the SMP update process began in 2008, notices were sent to all shoreline property owners. Since that time, the City has only communicated with those who have asked to be involved. As the project enters the public hearing phase all shoreline property owners are being re-notified of the process. Property owners within 300' of the shoreline are also being notified for the first time. If you want to keep receiving information about the SMP update, please ask to be on the mailing list.
